Subcohorts are students who received athletically related financial aid.

*We have elected not to report transfer-out rates because our University's mission does not include providing substantial preparation for students to enroll in another eligible institution without completing or graduating. This data is 4-year graduation data with graduation dates through June 2022. This is not the Student-Right -to-Know Act 6-yr (150%) graduation data. Other men's sports include: bowling, golf, soccer.
Other women's sports include: bowling, golf, soccer, softball, volleyball, cheer.
**Student counts for athletes in subcohorts, include representation in both sports for two-sport athletes.
