## Disclosing Enrollment Data

The completion or graduation rate of the degree seeking, first-time, full-time undergraduates (freshmen cohort) categorized by race and gender for the most recently completing class (Graduation Rate Survey IPEDS, 150%, 6yrs).

The graduation rates reflect the graduation/completion status of students who enrolled during the given year and for who 150% (6yrs) of the normal time-to-completion has elapsed (based on June 2023 graduation).

Disaggregated rates are only disclosed for racial/ethnic subgroups when the number of students in each subgroup is sufficient to yield statistically reliable information and not reveal personally identifiable information about an individual student.
