

## **Busse Library, Mount Mercy University**

### **Mission Statement**

The principle mission of the Library is to support the curricular and research needs of the students, faculty, and staff of Mount Mercy University.

To further this mission, the Library:

- Develops and preserves collections of books, serials, media materials, and electronic resources
- Maintains the institutional archives and promotes campus history
- Makes library collections accessible through cataloging, classification, indexing, library instruction, reference, and interlibrary loan, as well as through the provision of electronic delivery options
- Guides students and faculty to the resources of other libraries and information suppliers
- Creates an environment that supports the active use of information resources
