

Medical Laboratory Science Transfer Plan

Consider major courses below as part of your electives toward your Associate of Arts (A.A.), Associate of Science (A.S.) or Associate of Applied Science (A.A.S.) degree. A maximum of 63 credits can be transferred from a two-year institution.

Students who transfer to Mount Mercy with an A.A. degree from an Iowa Community college will have all Core Curriculum requirements waived except the Mercy Capstone and one course in the Ultimate Questions domain. These two requirements must be taken at Mount Mercy.
