

## Secondary Education Transfer Plan

Each **secondary education major** must have an original endorsement of at least 30 credits in an academic field. The original endorsement is listed as major for degree and transcript purposes as specified below. In addition, the student must complete the secondary education major. A second teaching endorsement (minor) is not required but highly recommended. Students must maintain a minimum 2.70 GPA in the original endorsements, the second teaching endorsements (minor) and in the Secondary Education Major.
