

VOLUNTEER OPPORTUNITIES

CODERDOJO

for kids ages 5-13
1st & 3rd Saturdays August–May
1:00–3:00 P.M.
415 12th Ave. SE, Cedar Rapids

CoderDojo is a free K-5 STEAM program that provides a variety of stations for students to explore each month. Volunteers mentor at a station and help model problem solving skills and foster creativity and exploration. NewBoCo provides stations and training for mentors as needed, and is open to adding new opportunities for students.

GIRLS WHO CODE

for students in grades 3–6
Saturdays February 25th–April 29th
12:30–1:30 P.M.
415 12th Ave. SE, Cedar Rapids

Club meetings are led by facilitators and supported by mentors. Students will participate in community building activities and coding projects with the goal of building a strong support system for young, female identifying students. NewBoCo staff will provide an outline for each club meeting, and volunteers will help students as necessary.
