

2019-2020 Catalog Addendum – October 2019

Purpose of Addendum Part I: The Health Care Leadership major will now be offered in the online only delivery mode in addition to the pre-established face-to-face offering.

Health Care Leadership

This major is designed specifically for students who have an Associate of Applied Science (AAS) degree in an Allied Health profession from an accredited community college. It provides students with the leadership, strategic planning and management skills to take on leadership positions in the health care field.

| | | |
