

ABOUT MERCY MEDICAL CENTER

Since 1900, the Sisters of Mercy – guided by their vow “to care of the poor and for the sick” – established Mercy Hospital and laid the foundation for *The Mercy Touch*®. Although the faces and technologies have changed throughout the years, our vision and mission still reflect our commitment to continuing the Sisters’ work today and for years in the future.

Learn about *The Mercy Touch*® [here](#).

Why Volunteer at Mercy?

Mercy has numerous opportunities to engage in the community we serve. This includes regular volunteer opportunities, job shadows, internships, observation hours, and assisting with various types of special events.

We are here to help connect your passion and skills and watch you grow as you serve your community.

Let's Get Started

For a sample of some possible volunteer opportunities available, please visit our [Opportunities Directory](#). To begin your journey at Mercy Medical Center, start by [submitting an online application](#). From there, we will begin your onboarding process where you will learn more about what it means to be a caregiver at Mercy, rules and regulations of volunteering at a hospital, and how to keep yourself safe. We look forward to hearing from you!
