

## **Hello potential volunteers,**

My name is Vonda, and I am the Customer Relations Associate for WayPoint. My role is to promote WayPoint's Child Care Division, KidsPoint, and actively seek volunteers that are interested in making a difference in children's lives. As a volunteer you get experience working an array of age groups. Below are overviews of the programs that we have, which supports individuals who want to gain experience with working with kids.

### **Our story and who we are:**

WayPoint is a non-profit that has been helping the community for 125 years! WayPoint is dedicated to helping people move forward with their lives. WayPoint's Child Care Division, KidsPoint, is one of the largest in the area, serving around 550 kids daily. KidsPoint has two learning centers, 11 before/after school sites, and several Summer Camps.

### **KidsPoint Preschool & Learning Centers**

96% percent of our KidsPoint kids are developmentally on track for kindergarten. KidsPoint achieves this by using Creative Curriculum in all of our centers, for ages, 6 weeks-preschool. As a Class-Room Aide Volunteer you will get a hands-on experience prepping, and planning lesson plans, interacting with the kids, and supporting the Teachers!

### **KidsPoint School Age Program**

Our goal is to give kids ages 5-12 years old a structured, safe environment when they are out of school. Staff assist kids with their homework, support fun activities like the Learning Labs, which are education-based activities. As a KidsPoint Mentor you will get the opportunity to plan and carry out educational activities, support kids with homework, and be a mentor to the kids in our program.

### **Summer Camp**

Summer Camp typically runs from June 3rd-August 14th, depending on when the school year ends. Summer Camp keeps kids active and engaged mentally and physically. Not only does KidsPoint do educational activities based around mathematics, science labs, and literacy; but they also take weekly field trips to waterparks, roller-skating, and to museums, and more! As a Summer Camp Volunteer you will help supervise the field trips, activities, and engage with the kids.

Being a volunteer with KidsPoint gives you the opportunity to truly make a difference in a child's life. In the words of Helen Keller, "Alone we can do so little, together we can do so much."

**Sincerely,**  
**Vonda Conway**
