

## Missing Student Policy

If you believe that a student is missing, whether or not the individual resides on campus, contact any employee of the Department of Public Safety, Dean of Students/ Director of Residence Life and the Director of Public Safety. Once it is determined that reasonable cause for further action exists, all possible efforts will be made to locate the individual in order to ascertain his or her state of health and well-being. Although 24 hours missing is often used as a guideline to warrant implementation of actions, there should be no hesitation in reporting a missing student if circumstances warrant a faster course of action.

In the case of an on-campus resident, each student has the option to register a confidential contact person to be notified in the case that the student is determined to be missing. Only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information. Regardless of the student preference in selecting a contact person, the Cedar Rapids Police Department or other appropriate law enforcement agency will be notified if the student is missing. As a matter of procedure in a missing person investigation, the Mount Mercy University Public Safety Department will obtain identifying information on the missing student, and endeavor to determine the student's whereabouts through contact with friends, roommates, associates, and/ or employers of the student. Whether or not the student has been attending class, labs, recitals, scheduled organizational or academic meetings, or appearing for scheduled work shifts will be established. A welfare check of the student's room will be conducted in coordination with residential life personnel. All information will be shared with the appropriate law enforcement officials

If the student reported missing is an off-campus resident, The Mount Mercy University Public Safety Department may contact the Cedar Rapids Police Department and institute similar procedures. It is also the policy of Mount Mercy University that any student less than 18 years of age and not emancipated will have their parent or guardian notified of their status as a missing person.

If the individual is located, campus officials will:

- Explain the concerns which led to the actions listed above.
- Attempt to ascertain the student's status with regard to mental/emotional/physical health.
- Work with the individual to arrange for any necessary assistance.
- Work with the individual to allay the concerns of the person(s) filing the initial report.
