Cedar Rapids is a small and affordable city, only a four-hour drive from major U.S. cities like Chicago, Minneapolis, St. Louis and Kansas City. Our busy regional airport is served by five airlines and is only 15 minutes from campus, making it easy for you to travel home. The city bus system and our shuttles help you access all Cedar Rapids has to offer.

The city’s thriving local economy with more than 25 Fortune 500 companies gives you great opportunities for internships and post-graduation work experience. When you want to relax, the area offers live music and performances, art museums and galleries, professional sports, shopping malls, restaurants, and more. In 2014, Cedar Rapids was named one of 10 All-America cities by the U.S. Civic League.
