

MOUNT MERCY UNIVERSITY

MASTER OF BUSINESS ADMINISTRATION

(also available online)

EXPAND YOUR KNOWLEDGE & NETWORK

With Mount Mercy University's online Master of Business Administration (MBA) program, business professionals at every level have a convenient and affordable way to earn a master's degree.

The curriculum challenges you to think globally and strategically while using a multidisciplinary approach to solve business problems. The program's emphasis on ethical and socially responsible leadership encourages our students to be respected leaders. Students will also work together to create solutions for community non-profit organizations and gain an interdisciplinary approach to leadership development in the tradition of Mercy values.

In addition to a practical, immediately applicable curriculum, the MBA program is led by Mount Mercy faculty members who have extensive work experience. We understand your unique needs, and we've designed our courses to fit your busy life.

"Deciding to pursue my MBA at Mount Mercy was the best decision I could have made for my education and professional development. Starting a master's program 16 years after finishing my undergraduate degree was intimidating; however, the advisors and professors at MMU diligently worked to ensure my success both in and out of the classroom."
