

How do I find nursing literature in the Wiley Online Library?

Step One: Select the Wiley Online Library.

Step Two: From the subject areas on the homepage, select “Nursing, Dentistry, & Healthcare.” Now select “Nursing” from the cluster.

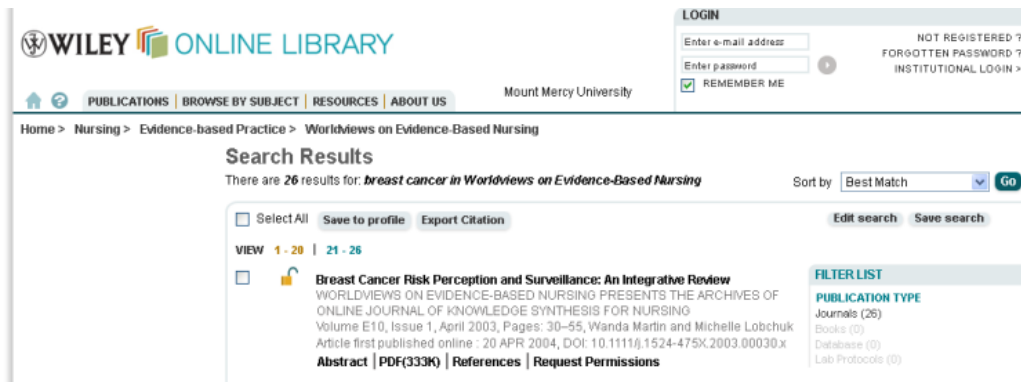

Step Three: The database’s nursing portal now appears. Select a subtopic of interest from the right menu. A list of associated journals will then appear.

The screenshot shows the Wiley Online Library interface for the Nursing section. At the top, there is a login section with fields for email and password, and a 'REMEMBER ME' checkbox. Below the login section, there are navigation tabs: 'PUBLICATIONS', 'BROWSE BY SUBJECT', 'RESOURCES', and 'ABOUT US'. The main content area is titled 'Nursing' and features several journal and book covers, including 'International Journal of Mental Health Nursing', 'Pocket Consultant: Gastroenterology, Third Edition', 'Journal of Nursing and Healthcare of Chronic Illness', and 'Supportive Care and Midwifery'. On the right side, there is a search box and a 'TOPICS' dropdown menu, which is circled in black. The 'TOPICS' menu lists various nursing subfields such as 'All Nursing', 'Acute, Critical & Emergency Care', 'Cancer & Palliative Care Nursing', 'Cardiology Nursing', 'Clinical Specialties', 'Community Nursing', 'Evidence-based Practice', 'General Clinical Nursing', 'Intellectual Disability Nursing', 'Introductions to Nursing', 'Law & Ethics in Nursing', 'Mental Health Nursing', and 'Midwifery'.

Step Four: Select a title from the journals roster. The publication’s homepage now appears. Access is available for issues dating from the mid-1990s. The journal’s search box (seen on the page’s right side) produces results only for THIS journal.

The screenshot shows the Wiley Online Library interface for the journal 'Worldviews on Evidence-Based Nursing'. At the top, there is a login section with fields for email and password, and a 'REMEMBER ME' checkbox. Below the login section, there are navigation tabs: 'PUBLICATIONS', 'BROWSE BY SUBJECT', 'RESOURCES', and 'ABOUT US'. The main content area is titled 'Worldviews on Evidence-Based Nursing' and features a journal cover, the journal title, and a search box. The search box is circled in black. The page also includes a 'JOURNAL TOOLS' section with options like 'Get New Content Alerts', 'Get RSS feed', 'Save to My Profile', 'Get Sample Copy', and 'Recommend to Your Librarian'. A 'JOURNAL MENU' section includes 'Journal Home', 'FIND ISSUES', 'FIND ARTICLES', 'GET ACCESS', and 'FOR CONTRIBUTORS'. The journal's impact factor and ISI ranking are also displayed.

Step Five: The list of search results includes publishing details and other options. An open padlock indicates the article is available in full-text format. A padlock with the word “free” implies open content. Articles lacking a padlock symbol are not available in full-text.

“Abstract” links to the article’s full record, where the abstract can be viewed. PDF or “full article (HTML)” produce the article’s full content. “References” produces the article’s references list. Select an article’s title to see its full database record.

Step Six: Select “How to Cite” (under the cover graphic) to see APA citing details. Select “Get PDF” from the article tools roster to see the full text.
