

## How do I find literature in the Wiley Online Library?

**Step One:** Select the Wiley Online Library.

**Step Two:** From the subject areas on the homepage, select “Law & Criminology” and then subtopic. For political science, select “Social & Behavioral Sciences” and then “Political Science.”

**Step Three:** The database portal now appears. Select a subtopic of interest from the right menu. A list of associated journals will then appear.

The screenshot shows the Wiley Online Library interface for Political Science. The top navigation bar includes 'PUBLICATIONS', 'BROWSE BY SUBJECT', 'RESOURCES', and 'ABOUT US'. The main content area is titled 'Political Science' and features a grid of journal and book covers. On the right side, there is a search box with a dropdown menu that is open, showing a list of subtopics. A black circle highlights this dropdown menu. The subtopics listed include: All Political Science, American Politics, Asian Politics, British Politics, Colonialism & Imperialism, Comparative Politics, Constitution, Government & the State, Democratic Theory, Democratic Systems, European Politics, Gender & Politics, General & Introductory Political Science, Global Politics, Health Care Policy & Politics, International Political Economy, International Relations, and Latin American Politics.

**Step Four:** Select a title from the journals roster. The publication’s homepage now appears. Access is available for issues dating from the mid-1990s. The journal’s search box (seen on the page’s right side) produces results only for THIS journal.

The screenshot shows the Wiley Online Library interface for the journal 'Political Studies Review'. The page features a header with the journal title and a search box on the right. The search box has a dropdown menu that is open, showing 'In this journal'. The main content area displays the journal's cover, edited by Cees van der Eijk, Vivien Lowndes, Christopher Pierson and Mark Wenman. It also provides information such as Impact Factor (0.528) and Online ISSN (1478-9302). A black circle highlights the search dropdown menu.

**Step Five:** The list of search results includes publishing details and other options. An open padlock indicates the article is available in full-text format. A padlock with the word “free” implies open content. Articles lacking a padlock symbol are not available in full-text.
