

Feed Iowa First

Organization address
<http://feediowa1st.com/>

To combat food insecurity today and tomorrow by growing food and farmers

Volunteer Opportunities

Feed Iowa First in collaboration with other agencies has a volunteer opportunity available. Volunteer would serve as a Produce Advocate and would display fresh produce at local food pantries and provide nutritional education while interacting with clients. The volunteer would have to set up/take down the farmer's market stall, weigh and record pounds of produce before and after shift, provide referrals to appropriate clients (training provided), and actively engage clients on produce nutrition, facts and healthy eating habits.

Time Required to Volunteer: 2-3 hours per week. Various times and locations available.

Volunteer Qualifications: need own transportation with proof of insurance and must be able to lift 30 lbs. Volunteer Skills Needed: Creativity, cultural awareness, organization and presentation skills, teamwork, and verbal communication skills. Training is provided prior to start. Benefits to the Volunteer: Obtain experience working with non-profits, interact with people from various backgrounds, freedom to use marketing skills and creativity to promote healthy eating habits, and do something rewarding while helping out local families

Critical Concerns Focused on

1. Poverty

How to get started

Interested volunteers should:
