

# PUSH-CR

<http://www.fouroaks.org/Content/You-Can-Help/Volunteer.aspx>

*At Four Oaks, we believe in building opportunities for youth and families to experience success in their community. To accomplish this goal and to carry out our mission – “to assure children become successful adults” – we rely on community volunteers who share their time and skills making a difference at Four Oaks.*

## Volunteer Opportunities

PUSH-CR is also in need of crews of two to three people, once or twice per month, to pick up items from peoples' homes and/or hotels and them to our PUSH storage location on 2nd Avenue SE, close to downtown. This would be a four hour shift, once or twice per month and a Four Oaks, AHNI, or Jane Boyd employee would drive the box truck.
